

HEMP TIES IT ALL TOGETHER!

A NEW BUSINESS BONANZA

"The Investment Commodity of the Third Millennium"

- Renewable natural resource for manufacture of paper, fiber & pulp, oils, paints, sealants, fuel, food, medicine, etc.
- Hemp industries will create American jobs
- Underdeveloped potential for multi-billion dollar profits
- Income generated could save the bank/savings & loan industry
- Hemp seed is among the most nutritious of food sources
- Replaces trees as a source of housing & construction material
- Biomass fuel will permanently cut dependence on fossil fuels
- Hemp for plastic or a biodegradable replacement material
- Hemp is history's standard fiber for fabrics, cordage, etc.
- Generates a self sustaining, de-centralized economy
- Offers a wealth of untapped sources of tax revenues

A HEALTHY ENVIRONMENT

"Earth's Premier Renewable Resource"

- Saving millions of trees for paper & construction
- Reducing acid rain by using biomass energy
- Less chemical pollution in rivers and drinking water
- Generating oxygen to reverse the Greenhouse Effect
- Rebuilding soil & preventing erosion
- Using less pesticides & fertilizers for cultivation
- Replacing whale oil with Hemp seed oil
- Providing food for people & animals
- Leaving fully biodegradable waste products

SUSTAINABLE AGRICULTURE

"Hemp: The Cash Crop of the Future"

- Versatile enough crop to rescue family farms
- Best source of biomass for all energy forms
- Related economic gains in spin-off industries
- A viable, profitable crop that uses less pesticides & fertilizers for high yield
- Commercial hemp has almost no THC
- Even though illegal, cannabis (marijuana) is already America's biggest cash crop

COMMON SENSE CRIME REDUCTION

"With Liberty & Justice for All"

- Prohibition breeds crime & violence (remember all the gangs, guns of the "Roaring Twenties & Al Capone?")
- Smoking cannabis reduces tension & prevents violence
- Prohibition is itself unconstitutional and illegal
- Marijuana reform will unclog the courts by reducing case loads
- Re-legalization of cannabis hemp frees-up police resources for serious crime & will increase respect for all law
- It will remove hard drugs & the criminal element from the social cannabis market to protect casual users

SAFE AND EFFECTIVE NATURAL MEDICINE

"Nature's Flower of Health"

- Indicated for: Asthma, Emphysema, Glaucoma, Tumors, Nausea (Cancer & AIDS therapy), Rheumatism, Arthritis, Stress, Sleep & Relaxation, Multiple Sclerosis & Spasms, Epilepsy, Migraine Headaches, in Antibiotics, Antibacterial CBDs, Corn Plasters & Poultices, as Expectorant, Appetite Stimulant, Saliva Reducer, and has hundreds of therapeutic uses
- Non toxic, convenient, self-administrable medication
- Remarkably few side effects
- Affordable health care & maintenance

CIVIL RIGHTS & FREE CHOICE

"Life, Liberty & Pursuit of Happiness"

- These have been Inalienable American rights since 1776
 - Restore freedom of choice & the right to privacy
 - Cannabis prohibition has history of racist enforcement
- Freedom of religion is being violated (Hindus, Coptics, etc.)
 - Forfeiture laws deny citizens due process of law and violate our basic right to private property
 - "War on Drugs" attacks many Constitutional rights
 - Police spying & surveillance are rampant; corrupt secret police buy & sell drugs to encourage people to break the law
 - A war of oppression is being waged on growers & users
 - Marijuana offenders are political Prisoners of Conscience

A PROUD PART OF OUR HISTORY

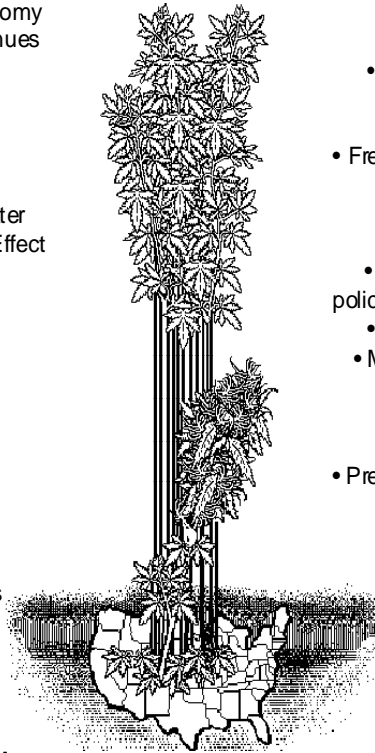

"An Industry as Old as Pottery"

- Presidents Washington, Jefferson, etc., were hemp farmers when they formed the U.S. & signed the Bill of Rights
- Hemp has a 10,000 year history of human cultivation
 - The sails of Columbus' ships were hemp
 - Cannabis smoking is a centuries-old tradition
- Declaration of Independence & U.S. Constitution were both originally drafted on hemp paper
 - Hemp outlawed in the conspiracy of 1937
 - 50 Years of prohibition are finally coming to an end

PROMISING A BETTER FUTURE

"A Freer, Safer, More Prosperous America"

- As the day ends, you put away your report written on hemp paper, drive home in your hemp fueled car down hemp-lined highways to your house built, plumbed & painted with hemp. You change your hemp clothes & fix a nice dinner of seasoned hemp tofu, turn on some music & light up a pipeful of ... whatever you want.
- Business opportunity, more competitive products & prices
- Private property & free enterprise, not police bureaucrats & spies
- Personal freedom includes the rights to know & to grow
- Personal responsibility, the right for adults to decide

YOU CAN HELP PROMOTE THE GOALS OF BACH

- Fully restore all commercial industrial uses of hemp
- Medical marijuana with doctor's oversight
- Regulate concessions of cannabis for adult use
